► In a patent showdown between two companies that make toilet paper sold under the Member's Mark brand at Sam's Club, a **Latham & Watkins** team led by partners **Matt Moore, Max Grant, Charles Sanders, Jeff Homrig, and Inge Osman**, counsel **Dale Chang**, associates **David Zucker, Paul Weinand, and Sami Al-Marzoog** scored a runner-up worthy straight defense verdict last week for client Irving Consumer Products Limited. A federal jury in Delaware found all three patents asserted by rival First Quality Tissue were invalid and not infringed by Irving.

► Shout out to a Latham team led by **Melissa Arbus Sherry** for a big win for client Restoration Robotics. California's First District Court of Appeal last week held that Restoration Robotics' forum selection clause requiring Securities Act claims to be brought in federal court was valid and enforceable under California law. The Latham team on the matter included partner **Matt Rawlinson**, associates **Nick Rosellini, Daniel Gherardi** and former partner **Gavin Masuda**.
